

Sign your application

Name:

Reference number:

You must print out and sign this form. By signing this form, you are confirming that the information provided in the application form is correct. You will submit your application during your appointment and, at the same time, hand in the required documents listed in your online application form along with this document, printed and signed.

By signing this form, I confirm that

- I want to order a new residence card.
- the information I provide in my application is correct and complete.
- I have had my rights and duties explained in the application form.
- I must submit the documents I have been instructed to submit.
- I have reviewed and understood the translation and confirmation requirements regarding the documents I must submit.
- If applicable, any person I have named as having power of attorney in the application form is the individual I want to authorise to act on my behalf regarding my case.

I understand that if I lie, try to deceive the authorities, or refrain from providing important information, I might

- have my application rejected or my residence permits later revoked.
- be expelled or deported from Norway and Schengen. If I am deported, I might also become registered in the Schengen Information System (SIS), which means that I will be denied entry throughout the Schengen area.
- be punished according to Norwegian law.

Parent signature for children under 18 who apply for residence

Minors affected by a decision under the Immigration Act have the right to be informed, and to express their opinion, about the case. Child applicants who are able to do so must sign this form (under 'Your signature' above). Parents or guardians of an applicant under age 18 must consent to the application by signing it below. If parental responsibility is shared, both parents must consent to the application.
