How to fill out the sample declaration form for DNA testing

Please, fill one Sample Declaration Form per donor.

You may find the Dynamic Code reference number and DUF case number in the DNA request sent to you from UDI via DUF/NORVIS.

NB! The WB or Lot. No. on the sample card plastic envelope or sample pin should never be used.

donor = the person giving DNA, sample = the DNA *sample*, sampler = the embassy staff

caretaker = the person bringing the minor for DNA-test in the embassy

Part 1 - To be completed by the donor/guardian

Fill all the spaces in the form. First part of the form is to be filled out always by the donor or the caretaker if the donor is under 18 years. We prefer that the form is filled out in print.

- Shall always be filled out when donor is a minor under 18 years.
- Donor's full name, in print. Please note that the spelling is correct.
- One passport photo should be attached to the form.
- Date and signature – the donor signs here, alternatively the caretaker when the donor is under 18.

Part 2 - To be completed by guardian when the donor is under 18

- Caretaker's full name, in print
- Caretaker's signature
- Donor's signature, when he/she is between 12 and 18
- The relationship between the donor and the guardian should be listed.

Part 3 - To be completed the embassy staff administering the test

- Embassy staff's name, in print
- Test location, in print
- Test date and embassy staff's signature

Completion of the sample card

Signatures

Fill out the FTA-card with the following information: DUF number of the donor. The FTA-card must be duly filled out in order for the sample to be analysed. Please do not remove the FTA-card from the folder, and please do not seal the FTA-card.

Further information

For more information, please see [Guidelines for DNA analyses in connection with applications for family immigration – the Immigration Act section 87 - UDIREGELVERK](#). An example of how a completed test should look is available on the FTA-card folder. Here you will also find the address of the laboratory in Sweden that the test should be sent to.

If you encounter any problems downloading the sample declaration form or the instructions, please contact us at DNA@udi.no and we will send you what you need via e-mail.

All other inquiries should be sent to the same address.
